 INSET day or bank holiday - nursery closed

Registration fee and deposit

As with the main School, a registration fee of £60 is payable to register your interest with the nursery. Prior to a place being offered, your child will be invited for a 'Stay and Play' session, then an offer letter will be sent out confirming a start date and their place in the Nursery. Once you have accepted a place with us, a deposit of £400 is payable for each child. This payment is returned to parents shortly after the last term that your child is with us. When your child moves into Reception, the deposit moves with you.

Session amendments and notice period

Should you wish to increase the number of days that your child attends the Term-Time Plus and All Year-Round nursery, one half terms' notice must be given in order that we have sufficient staff on duty.

Once you have signed up for the all year-round provision, you will be billed on a termly basis, which will include those holiday weeks in between terms. This will stop when your child either enters the Reception class or you wish to give notice to withdraw from the nursery. Should you wish to withdraw completely, one term's notice must be given or a term's fees in lieu of notice will be charged.

Payment of fees

All year-round nursery fees are charged termly to correspond with SCC Early Years funding periods. Parents with childcare vouchers may continue to use them to pay for fees monthly. In order to assist nursery parents (those whose children are using the all year-round nursery) with the payment of fees, we can offer our termly instalment scheme where fees are equally split over the 4 months of each term.
