A selection of clubs and activities are offered throughout the year and pupils are encouraged to make full use of these additional opportunities to stimulate and enhance their learning experience at Micklefield. The children's studies are not restricted to the classroom and they enjoy many trips to museums, galleries, theatres and field trips at home and overseas.

Guest speakers, specialists and visiting drama groups are also invited to share their knowledge and expertise in school.

The physical, academic and social skills acquired at Micklefield, enable parents to choose from a wide selection of senior schools.
